STATEMENT OF OBJECTS AND REASONS

Breast cancer among females has been a rapid rise in the last decade and according to Indian Council of Medical Research 1.5 lakh new cases of breast cancer were reported in the year 2016 along. Moreover, the National Cancer Registry and Indian Council of Medical Research put breast cancer as the most common cancer in women in India. Breast cancer accounts for 27 per cent. of all cancers in women in India, with the incidence rising in the early thirties and peaking at ages 50-64 years. It is castimated that in 28 women is likely develop breast cancer during her lifetime.

Due to unawareness among masses about the raid rise and severity of breast cancer, it is usually diagnosed in advanced stage, where the treatment becomes ineffective and expensive. Recent trends also show that in India younger women are also exposed to the risk of breast cancer.

The Centre and States Governments should work together to provide free diagnosis and medical treatment to women affected with breast cancer and help combat this grave disease.

Hence this Bill.

NEW DELHI;
November 28, 2017.

SUPRIYASULE

FINANCIAL MEMORANDUM

Clause 3 of the Bill provides that Central Government shall create awareness amongst masses about the symptoms and treatment of breast cancer. Clause 4 provides for free medical screening of women to diagnose breast cancer. Clause 5 provides for free medical treatment of breast cancer patients. Clause 6 provides that the Central Government shall provide adequate funds to the State Government for the purpose of this Bill. The Bill, therefore, if enacted, will involve expenditure from the Consolidated Fund of India. It is estimated that a sum of rupees one thousand crore would be involved as recurring expenditure per annum.

A non-recurring expenditure of rupees one hundred crores is also likely to be involved.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 9 of the Bill empowers the Central Government to make rules for carrying out the purposes of the Bill. As the rules will relate to matters of detail only, the delegation of legislative power is of a normal character.

LOK SABHA

A

BILL

to create awareness among masses to prevent breast cancer among females, provide free screening and medical treatment for those diagnosed with breast cancer and for matters connected therewith.
